## REPORT

---

Another year is drawing to a close, and it really does make you wonder where the time has gone. While it's been one of the wettest seasons in recent memory, let's not dwell on the negatives—because there are so many positives to celebrate across our district.

Our competition continues to grow, with registrations up 4% and 114 teams taking the field in 2025. We welcomed a new Under 10s League Tag competition, and we were proud to see five A Grade sides representing four of our clubs—a real sign of strength in our senior ranks.

At the grassroots level, our minis and mods had a brilliant year. Our U6s got the thrill of playing at North Sydney Oval during Junior Appreciation Round, highlighted by Kieran Foran proudly wearing his old Asquith Magpies jersey. Our U7s took part in a fantastic Tackle-Ready gala day, showing off their new custom reversible jerseys. And our U6–U9 Gala Day at Storey Park was a sea of colour, fun, and smiles, with kids enjoying their last game of the season in the best way possible—with their mates.

For our older juniors, the opportunities continued to expand. We had players representing the Bears in the U14 and U15 boys and U14 and U16 girls development programs, and the introduction of the RISE program for U13s gave us a glimpse of some serious talent coming through. With the exciting announcement of the Perth Bears joining the NRL in 2027, who knows how many of our juniors could one day be pulling on that jersey.

We also saw some fantastic progress at club level. The Hills Hawks successfully rebranded as the Northwest Hawks, Lane Cove unveiled a sharp new logo, Greenway Park received major facility upgrades, and the Willoughby Roos proudly entered their very first Girls Tackle side. These milestones are a credit to the vision and effort of everyone involved.

Of course, one of the true highlights of the year was Grand Final weekend. The standard of football across every age group was outstanding. We saw thrilling contests, teams leaving everything on the field, and crowds that reminded us why our game is so special. Every side that made it to the big stage deserves recognition, but most importantly, every player who pulled on their club jersey this year is a winner in their own right.

I want to take a moment to acknowledge what truly makes this competition special—our volunteers, parents, coaches, referees, and administrators. Without your time, energy, and commitment, none of this happens. You are the backbone of our district, and your work ensures that rugby league continues to be a game where kids can have fun, make lifelong memories, stay active, and learn lessons that go well beyond the field.

As we look ahead to 2026, let's remember that our responsibility as adults is to lead by example—to be positive, supportive, and encouraging of our children, our officials, and one another. Together, we keep this competition strong, welcoming, and full of opportunity.

On behalf of the North Sydney Junior Rugby League, thank you for another outstanding season. We're proud of what we've achieved, excited for the future, and, as always, committed to carrying the spirit of the Bears forward.

**Chairman**

# ASQUITH MAGPIES

## A Message From The President

The 2025 season has been a standout year for the Asquith Magpies, marked by strong growth, resilience, and the continued strength of our community. As one of the district's longest-running and most community-driven clubs, we are proud to contribute to the overall success and development of rugby league across the North Sydney District.

### **Participation & Growth**

Our club recorded increased participation across all age groups, from minis and league tag right through to our senior A Grade sides. With numerous new families joining the Magpies, the club continues to be a welcoming environment where players of all abilities are supported and valued.

### **Community Strength in Adversity**

Throughout the season, the Magpies community repeatedly demonstrated exceptional commitment. Despite extensive washouts and disruptions—particularly during the final round—our volunteers, parents, and coaching staff rallied together to ensure matches could proceed. This collective effort reflects the culture of the club: we are not driven by individuals but united by a shared passion for supporting our kids and the game we all love.

### **On-Field Performance & District Competitions**

The Asquith Magpies delivered strong results across multiple competitions, contributing significantly to the competitive depth of the district.

#### *Junior Grand Final Representation*

Under 12s – Grand Finalists

Under 13s – Grand Finalists, finishing in a hard-fought draw that was widely regarded as a fair outcome for an exceptional contest.

Under 14s – Grand Finalists

These results highlight the depth, development, and coaching strength within our junior pathways.

## **Senior Achievements**

Both A Grade Gold and A Grade Bronze reached the district grand finals.

The A Grade Bronze team secured their premiership at Brookvale Oval, a significant achievement and point of pride for the club.

We remain proud of every team that reached the final stages of competition, acknowledging not just their results but their sportsmanship, teamwork, and growth.

## **Representative Pathways & Development**

Our development programs continue to strengthen the wider district talent pool. We are proud to have a growing number of Asquith players involved in:

- Harold Matthews Cup
- SG Ball Cup
- U16s Summer Development Programs

Their progression is a credit to their dedication and the strong coaching and support structure provided at club level.

## **Community Engagement & Off-Field Success**

In addition to on-field achievements, the Magpies contributed positively to the district through community engagement, events, and initiatives aimed at strengthening local rugby league culture. From fundraising activities to supporter engagement and club development programs, the Magpies continue to model the values of inclusion, pride, and community spirit.

## **Conclusion**

The 2025 season has reinforced the Magpies' commitment to supporting district rugby league both on and off the field. Our achievements reflect a club culture built on unity, effort, and genuine care for the game.

We look forward to continuing our contribution to the North Sydney District in 2026 and beyond.

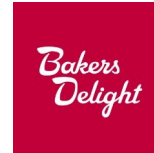

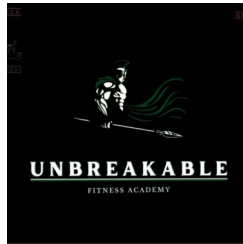

Up the Black and White!

Mick Tickner

Asquith Magpies President

# BEROWRA WALLABIES

## A Message From The President

The club experienced remarkable and continued growth during the 2025 season, which saw a record-breaking 27 teams participating in competitions across Sydney. This marked an exciting milestone for the club, showcasing the dedication of our players and the strength of our organisation. Furthermore, we were proud to expand our presence beyond Sydney by competing in the Central Coast competition, where we fielded teams in both the Under 19s and Open League Tag divisions. These achievements highlight our commitment to providing opportunities for players to grow, compete, and excel in their chosen sport.

Community involvement and charity work have always been core values for our club, and this year was no exception. In 2025, we continued to make a positive impact by supporting numerous charities through initiatives such as our annual Mother's Day fundraising event and our highly successful Boot Drive. This program saw us collecting boots and equipment to send to children in Papua New Guinea, promoting access to sports and creating opportunities for young people in underprivileged communities. These efforts reflect the club's belief in the power of sports to unite and uplift communities, both locally and globally.

The club also takes immense pride in the individual achievements of our players. Many of them showcased exceptional skills and dedication by earning selection to represent the district at a representative level in both Tackle and Tag competitions. Their accomplishments not only brought prestige to the club but also served as inspiration to younger players, proving what can be achieved through hard work, dedication, and passion for the game.

We could not have achieved these milestones without the incredible support of our sponsors. Your generosity allows us to keep registration fees affordable, enabling more players to access the game and be a part of our growing family. To all our sponsors, we extend our deepest gratitude for believing in our mission and making a difference in the lives of our players and their families.

Behind every successful season is a team of dedicated individuals who work tirelessly behind the scenes to create an environment where everyone feels valued. This year, we express our heartfelt thanks to our coaches, managers, volunteers, and committee members. Your passion, time, and unwavering commitment make it possible for our players to thrive both on and off the field. You are the backbone of the club, and your efforts ensure that the club continues to be a special, welcoming space for everyone involved.

Thank you all for being a part of this incredible journey. Together, we look forward to another successful season ahead, filled with growth, community support, and achievements on and off the field.

Scott Paterson  
Berowra President

## *Season Highlights*

The highlight of the 2025 season was undoubtedly our incredibly successful Grand Final Day, which will go down in history as one of the club's finest moments. It was a day filled with excitement, emotion, resilience, and triumph, showcasing the heart and determination of our players across various age groups.

The day kicked off with an outstanding victory by our Under 12s League Tag girls, who claimed their Grand Final win in remarkable fashion. These girls have been playing together in this age group for three years, with many starting when they were just nine years old. Their journey has been one of perseverance, growth, and determination, sticking together through challenging times and emerging as premiers. Their achievement is a testament to their hard work and team spirit, and we couldn't be prouder of them.

Our Under 14s League Tag girls continued to display their dominance by winning their third successive premiership. This talented group has consistently performed at the highest level, becoming a force to be reckoned with and inspiring others with their skill, teamwork, and dedication. Their continued success reflects not only their abilities on the field but also their commitment to maintaining excellence year after year.

Unfortunately, our Under 16s League Tag girls fell short in their Grand Final against a strong Lane Cove side. Despite the loss, these incredible young athletes demonstrated the true spirit of the game with their never-say-die attitude and relentless effort until the very last whistle. Their grit and determination were nothing short of inspiring, and they have every reason to hold their heads high.

The Under 17s boys tackle team delivered an impressive performance in their Grand Final against a formidable opponent, Rouse Hill. Having battled against Rouse Hill three times in four weeks, the boys rose to the occasion and delivered a convincing win when it mattered most. Their hard work and preparation paid off, and they proved themselves as deserving champions on the day.

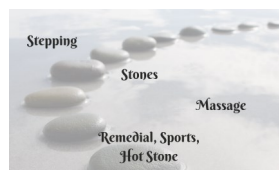

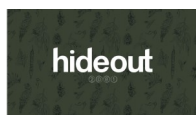

However, the standout moment of Grand Final Day belonged to our Under 15s boys tackle team, who played their Grand Final at the iconic Brookvale Oval. In what can only be described as a game for the ages, the boys found themselves trailing 18-0 at halftime against a determined opposition. Refusing to give up, they mounted an extraordinary comeback in the second half, overcoming the odds to clinch a stunning 24-22 victory. Their resilience, skill, and sheer determination captivated everyone in attendance, and the match will be remembered for years to come as one of the club's most thrilling victories.

Grand Final Day was a true celebration of our players and their achievements, showcasing their hard work, commitment, and passion for the game. It reminded us all of what makes our club so special—not just the talent on the field, but the camaraderie, sportsmanship, and never-give-up attitude that define us. We are so proud of every single player, coach, manager, and supporter who contributed to this memorable day.

Scott Patterson

Berowra Wallabies President

# KU-RING-GAI

## CUBS

### A Message From The President

This year has been one of strong growth, renewed enthusiasm, and continued development across all our teams. The Cubs community once again demonstrated the passion, resilience, and spirit that define our club.

#### **Club Growth & Team Development**

This season we proudly fielded ten tackle teams from Under 7s through to Under 16s, including three girls tag teams across three age groups.

Our club grew to 169 registered players, an impressive 8% increase from last year. This growth reflects the strength of our programs and the welcoming, family-based culture that continues to draw players to the Cubs.

Across all age groups, our teams developed tremendously. We witnessed improvements in skills, confidence, and teamwork, and saw players embrace the values of integrity, teamwork and respect that we strive to promote.

#### **On-Field Highlights**

A standout achievement this year came from our Under 14s, who reached the Grand Final once again. Although the three-peat narrowly eluded us, this milestone marks an incredible four Grand Finals in four consecutive years—a testament to the dedication of the players, coaches, and support staff.

Our U14 Girls tag and U13's tackle made semis.

We had our biggest minis team for several years in U7's.

Congratulations to everyone involved on another exceptional season.

#### **Girls Tag Expansion**

One of the most exciting areas of growth for our club was the continued expansion of our girls tag program.

This season we welcomed a new Under 12s team, joining our U14s and U16s. Each team showed great energy, camaraderie, and improvement throughout the year.

A special thank you goes to coaches David Cornell, Chris Henry and Adam Pegg whose commitment, leadership, and enthusiasm were instrumental in building such a positive and successful program. Their work continues to open new opportunities for girls in our community to enjoy rugby league in a safe and inclusive environment.

## **The Importance of Community Sport**

Community sport is more important than ever. In a world increasingly dominated by technology and screens, our club—and others like it—provide a vital environment for physical development, emotional growth, and genuine social and human interaction.

Sport connects us. It gives young people a place to belong, build resilience, learn teamwork, and experience the joy of being part of something meaningful.

At the heart of it all is fun and enjoyment—whether you're a player who doesn't step on the field every week but makes a few great runs or tackles and celebrates your teammates' achievements, or someone who dreams of one day playing representative or professional footy. Every contribution matters, and every player has a home here.

Long may our club continue to provide an inclusive, supportive, and community-driven environment, where players, volunteers, parents, and supporters come together to share experiences, build friendships, and create memories.

## **Acknowledgements & Thank Yous**

### **Our Sponsors**

We extend our deepest gratitude to our sponsors for their ongoing support. Your generosity allows us to provide quality equipment, maintain our facilities, and offer a safe and enjoyable playing environment for all of our young athletes. Your partnership is invaluable to the success and sustainability of our club.

### **Our Committee – The Beating Heart of Our Club**

A special and heartfelt thank you must go to our committee. These individuals are truly the beating heart of the Ku-ring-gai Cubs.

They give up countless hours—often behind the scenes—to ensure our players take the field every year. Beyond administrative work, every committee member is hands-on: coaching, managing, training, running the canteen and BBQs, ground managing, setting up and packing down fields, keeping score, and assisting with the financial operations of the club.

Your dedication and selflessness are extraordinary. The Cubs simply could not operate without you.

### **Canteen Team**

Thank you to Tammy and Chef Rob, who kept our canteen running smoothly and ensured every game day was welcoming and well-catered. Your efforts bring warmth, connection, and community to our club.

To all our canteen volunteers—thank you. Your willingness to help, often at short notice, makes a huge difference each week.

### **Coaches, Trainers & Managers**

To our coaches, trainers, and team managers—thank you for guiding our young players throughout the season. You help them become better players, better teammates, and better people.

Your influence extends far beyond the field. The confidence, resilience, and joy you help build in our players are the true markers of success.

## **William Otuhiva 1977-2025**

Sadly this season we lost one of our coaching team, William Otuhiva. William was the much loved and respected coach of our combined Ku-ring-Gai Cubs/ Lane Cove Tigers U16 tackle team this year.

He was a wonderful influence on our players and club. He was kind, patient, understanding but also firm and clear on the team environment he wanted us all to experience. Inclusive, hard working, enjoyable and focused heavily on the individuals improving their skill sets and character to contribute to a successful and harmonious team.

It was clear that as a volunteer William wanted to give back to and develop our clubs and our sport. His influence in this one short season will live on. I've no doubt.

We are just so sad that he was taken so soon.

Our condolences to his wife Aarti and son Ash.

## **Looking Ahead**

With growing numbers, expanding programs, and a strong coaching and volunteer base, the future of the Ku-ring-gai Cubs is bright. Our focus next season includes:

- Further development opportunities for coaches and players
- Strengthened pathways for both boys and girls
- Continued support for new and returning families
- Ongoing improvements to facilities, equipment, and club resources

## **Conclusion**

To all our players—thank you for your effort, sportsmanship, and pride in wearing the Cubs jersey.

To our parents and families—thank you for your commitment, encouragement, and support throughout the season.

To our volunteers, sponsors, and committee—your contributions make this club what it is.

Thank you all for another outstanding season. 2026 heralds a new era for the Cubs as we welcome a new President, Michael Mamo. Michael has coached for several years already at the Cubs and is passionate about growing junior rugby league at our club and district. Along with the new committee the club is in very safe hands and I look forward to an even stronger and more exciting future for our club.

Ben May

President

Ku-ring-gai Cubs Junior Rugby League Club

## Thank you to our sponsors

TIAN JIN PLASTER

# LANE COVE

# TIGERS

## A Message From The President

It is my pleasure to present the 2025 President's Report for the Lane Cove Tigers Junior Rugby League Club. This season has been one of growth, community spirit, and remarkable development across all age groups. From our youngest Tigers taking their first steps onto the field, to our older teams showcasing maturity, resilience, and leadership while the club continues to thrive both on and off the field.

We have seen strong registration numbers, outstanding volunteer commitment, successful collaborations with neighbouring clubs, and a renewed sense of pride in wearing the black and orange. Our Tigers culture — inclusive, supportive, and spirited — shines brighter every year, and 2025 has been no exception.

A year of many firsts. Our first Tigers Sports Luncheon which was a great success. Many enjoyed the day complete with special guests Dene Halatau and Ben Galea from the Wests Tigers Premiership winning team and MC'd by none other than Tim Gilbert. The luncheon saw the community spirit growing not only in the younger players but also in our wider community of parents, grandparents, extended family, the league community and of course our sponsors.

It was also our first year of Girls League Tag for U10s that was truly inspirational and a great age to start seeing the girls entering the League Community in true league tag spirit. The girls absolutely loved this opportunity and look up to our bigger girls with great aspirations to be just like them one day.

We introduced the Roar Roast Coffee Cart. This not only supplies a much-needed coffee hit on those early morning starts but also gives the club the ability to ensure that we are not only just supporting great footy players but also providing them with some valuable life skills that they can take with them off the field and into their own lives. We offered free Barista training to any of our more senior players that were interested in learning this skill and receiving their barista accreditation.

The club worked with NSWRL, other clubs and councils to try and introduce more Friday night games into the competition. Friday night games gave teams the opportunity to play under the lights and alleviated some of the stress of teams availability to play on other days over the weekend due to other commitments. Players and their families truly enjoyed this opportunity and hopefully this is something that can continue into the future to keep more participants playing rugby league.

We had many participants in Development Squads and the RISE Program with North Sydney Bears. All participants thoroughly enjoyed the opportunity to further develop their skills and learn what it takes to take their league skills and knowledge to the next level. We also had several club coaches and training staff take part in their new roles in the development squads also. This helped our coaching staff gain valuable skills and experience that they were able to bring back to the club and pass this experience on to others.

Great success was seen throughout the season with many teams progressing through to the finals. This is truly a great achievement and exemplifies the hard work that is put in throughout the season at every training session and at every game. However special mention must be given to our U13s boys and U16s girls league tag teams who brought home the premiership on Grand Final Day.

To end the season, we held our annual presentation day at the Diddy in Lane Cove. It was great to see all the families again and to reward all those players who have achieved so much this season. It was nice to share our stories from the season, have a bite to eat and enjoy being part of this awesome club over a drink while the kids enjoyed some time together off the field building even stronger friendships.

A heartfelt thank you goes to our coaches, managers, trainers, committee members, parents, carers, supporters, and of course, our incredible young athletes. You are the backbone of this club, and your dedication ensures that our players can learn, grow, and enjoy the game we all love.

I would also like to take a moment to acknowledge the passing of William Otuhiva during the season. A truly dedicated coach to our combined U16s boys. William not only had a great love of the game but wanted to pass down all of his knowledge and experience to the boys that he coached not only at our club but also in the North Sydney Bears Development Squads. We paid our respects to William and his family by having a minute's silence prior to the start of our games during the Grand Finals. William will be sadly missed at the club.

As we look toward 2026 and the years beyond, the future of the Lane Cove Tigers has never been brighter. Our club continues to grow in both numbers and spirit, with new families joining every season and our long-standing members remaining deeply committed to the values that define who we are.

We are building a strong, positive club culture—one grounded in inclusiveness, teamwork, community pride, and a genuine love for rugby league. This culture is becoming our greatest asset, shaping not only how we train and perform on the field, but also how we support one another off it.

Over the coming years, we will continue to strengthen our junior pathways, expand opportunities for both boys and girls, and invest in coaching, development, and club infrastructure. We aim to create an environment where every player—whether new to the sport or striving to reach higher levels—feels supported, valued, and inspired.

I am genuinely excited for what 2026 holds and for the continued momentum we are building. With the dedication of our volunteers, the enthusiasm of our players, and the passion of our community, the Lane Cove Tigers are well-positioned for sustained growth, success, and many great seasons ahead.

**Natalie Brown-Sherman - Club President**

## ***Season Highlights***

### **Under 6s**

What a fantastic season it's been for the Lane Cove Tigers Under 6s! Every single player improved with each game — learning to play the ball, defending together in a line, and showing great teamwork throughout the year.

It was especially wonderful to see every child score a try at some stage during the season. The younger players became more coordinated each week as they began to understand the fundamentals of rugby league. This highlights just how valuable sport is in helping young children build confidence, coordination, and teamwork.

A huge thank you to all the parents and families for your ongoing support and enthusiasm. An extra thanks goes to my fellow coach, Grant, for stepping in and showing great patience with our energetic group whenever I was unable to be there.

### **Under 7s**

What an incredible season this has been for our Under 7s Tigers! As coaches, we couldn't be prouder of every single player in this team.

Halfway through the year, our team made a significant transition — switching from tag to tackle. This is no small feat for players of this age, yet every child rose to the challenge with enthusiasm and determination. They learned how to tackle safely, protect themselves, and developed resilience and toughness with each passing week.

While we celebrated wins and learned from losses throughout the season, the scoreboard never told the full story. Every game, our Tigers showed up with heart. They supported one another, cheered for their teammates, and demonstrated what it truly means to play as a team. This season was about so much more than football fundamentals. Our players learned to work together, to be brave when facing new challenges, and to never give up even when things got tough. These are lessons that will serve them well beyond the football field.

A huge thank you to Tim for his partnership in co-coaching this wonderful group, to Dally for his support, and to all of our parents for your commitment in getting the kids to training and games each week, and for your enthusiastic support from the sidelines. This team doesn't succeed without you.

## Under 9s

The Under 9 Tiger Cubs enjoyed a fantastic 2025 season. Formed through a partnership between the Lane Cove Tigers and the Ku-ring-gai Cubs, the combined squad completed a full and exciting year of footy.

Will, Zac, Nicholas, Darcy, Jude, Ethan, Charlie, Angus, Will, Oscar, Laken and Eddie all brought their personality, energy, and unique skills to the team.

The boys played many close matches, built great friendships, and showcased excellent teamwork. A major highlight was the Gala Day at Asquith, where they played some of their best footy of the season and enjoyed the experience together as one united team.

Overall, the Tiger Cubs had a fun, competitive, and rewarding year on the field.

## Under 11 Boys

This season marked a special collaboration between the Lane Cove Tigers and the North Sydney Brothers, bringing together two proud clubs to ensure our under-11s boys could continue to play the game they love. With new players and returning players joining forces, the merged team quickly became a fantastic example of what rugby league is all about—opportunity, teamwork, and community.

The boys faced some tough opponents throughout the season, but their determination never wavered. As with any newly formed squad, it took time to build friendships, learn each other's playing styles, and establish combinations on the field. Through consistent training, open communication, and plenty of hard work, the group steadily developed their skills and confidence.

Wearing both club colours with pride, the team trained hard each week and committed themselves to improving individually and collectively. Their effort, resilience, and willingness to support one another were evident in every game. Most importantly, they showed that when two clubs unite with a shared purpose, something truly rewarding can be achieved.

This combined U11s team is a testament to the power of collaboration, and we are incredibly proud of what these boys accomplished together.

### Under 10 Girls – League Tag

What an incredible first season for our Lane Cove Tigers Under 10 Girls League Tag team! Many of the girls had never touched a rugby ball before this year, and they finished the season tagging, passing, and running like stars.

The team spirit, fun, and friendships formed throughout the season were remarkable. The girls supported one another beautifully and embraced the spirit of the Tigers every week.

A big thank you to all parents and families for your commitment and encouragement throughout the season. To our Assistant Coaches, Maddie and Greg, and our dedicated Team Manager, Jane — thank you for your effort, leadership, and positivity.

### Under 12 Girls – League Tag

The U12 Girls League Tag team had a remarkable start to the season. With only seven players one week out from Round One, things looked uncertain — but by kickoff, the team had grown to a strong squad of 15. This included returning players, new recruits to Lane Cove Tigers, and several girls enjoying their first ever season of tag.

While wins were limited, the girls improved dramatically throughout the year. They formed strong friendships, embraced teamwork, and celebrated every try with smiles, joy, and laughter. Coaching this team was an absolute pleasure. Their determination, energy, and willingness to learn made every session memorable. We look forward to welcoming many of them back for another exciting season in 2026.

## Under 13 Boys - Silver

The Lane Cove Tigers U13s rugby league team capped off an extraordinary 2025 season by securing back-to-back premierships.

After clinching the title in 2024, the young Tigers entered the new year with high expectations and a determination to defend their crown. The team navigated a challenging schedule filled with tough opponents, showcasing resilience, skill, and teamwork throughout. Their journey culminated in a thrilling grand final draw, where not even 20 minutes of golden point could split the Tigers and Asquith. The achievement of being the first boys tackle team to be back to back premiers in the clubs history not only highlights the players' talent but also reflects the boy's commitment to continuously grow and improve.

Preparation was key to the Tigers' success, as the team refused to rest on their laurels from the previous year's win. Training commenced right after the 2024 season ended, with intensive sessions held all through the hot summer months. The boys focused on building speed, and developing new skills to elevate their game. Rain or shine, they hit the field (unless the council closed it), pushing each other to improve in areas like tackling, passing, and new plays. This off-season dedication paid dividends early in the year, as the team started the season with a string of convincing wins, setting a tone of excellence that carried them through to the finals.

The spirit within the Tigers 13s grew through the year as the new boys found their role in the team, with camaraderie and leadership shining through by the end of the year.

While it's often said that reaching a grand final requires a bit of luck, the Lane Cove Tigers U13s proved that hard work and preparation were the true architects of their success—they didn't rely on fortune for their results, as their training regimen ensured they were always a step ahead. That said, the boys are indeed fortunate to have an incredible support network behind them. Supportive parents tirelessly ferry them to games and training sessions, providing encouragement and support along the way. Equally vital are the club committee and volunteers, who organize events, maintain facilities, and offer unwavering backing to help the team thrive.

This collective effort reminds us that champions are made not just on the field, but through the dedication of our entire Tigers community. Congratulations on a great season 2025 boys, and we all look forward to seeing how you have grown and developed as players and people in Season 2026.

## Under 14 Girls – League Tag

Our Under 14s team saw a group of new players come together this season, with many joining our large female squad training on Monday nights for the first time. It was an absolute pleasure to coach these young athletes, who really started to show genuine promise midway through the season.

Unfortunately, wet weather toward the back end of the regular season cut short our run toward the semi-finals, leaving us wondering just how far this emerging team could have gone. As the girls began to click, stringing together consistent performances, they were starting to show exactly what kind of threat they could become — if only the weather had stayed dry.

### **Under 14 Boys - Gold**

The U14 boys had a fantastic year of building friendships, training hard and playing some great footy. The season started with about 12 new boys joining the squad which was a great achievement for the club, as word of mouth had spread that there was something special brewing at the Tigers in 2025. Boys came in from different clubs and different schools but soon bonded to form a bunch of young men who got on well and respected each other, regardless of reputation or ability.

The season itself was a great success on the field. The boys started in the silver division of the North Shore / Northern Beaches conference competition and came out on top in some well fought battles with old North Shore foes and Beaches teams they hadn't previously encountered. When the league decided to merge the silver and gold comps, the boys got on with business, trained hard, kept their chins up and gave it their all.

At the end of the season, they'd worked their way to second on the ladder, playing good footy and having fun along the way. The boys went down in two semi finals against some big beaches boys but that didn't take away from the effort and teamwork these boys put together all year.

Well done 14s boys, we're all looking forward to 2026.

### **Under 16 Girls – League Tag**

What an impressive group of players. For the second year running, this age group went through the season undefeated — never even facing a close game — and clearly established themselves as the head of the pack.

It's always challenging for a dominant team entering semi-finals and finals, where the expectation to win can cause even the best sides to stumble, but consistency was their secret weapon. By focusing on defence, grinding through sets, and celebrating each other's individual victories, this team rose to the occasion once again and claimed the grand final with ease.

Remarkably, this marks the second consecutive premiership for this Lane Cove Tigers age group.

### Under 16 Boys - Silver

The 16s started the year with uncertainty around player numbers for the 2025 season. Despite the unknowns, the core group demonstrated real commitment by showing up for preseason training — completing runs around Berry Island and tough beach sessions at Balmoral. Their effort and determination set the tone early.

Two weeks before the season kick-off, a decision was made to combine forces with the Ku-ring-gai Cubs. Following a meeting between Tigers coaches Ray and assistant coach Will, Ku-ring-gai coach Michael, and team manager and club president Ben, both clubs agreed to unite the squads. From that point on, the boys took the field as North Shore United.

The opening four to five rounds were very successful, with a mix of comprehensive wins and hard-fought victories that showcased the group's potential. However, as the season progressed, player availability became a challenge. School commitments, other sporting obligations, illness, and inconsistent attendance at training all had an impact. As a result, momentum shifted and the results became harder to secure.

Although the season had its ups and downs and the team did not progress beyond the first week of finals, there were many positives. The boys gelled extremely well — and quickly. Joining forces with another club created new friendships, broadened their network, and brought a fresh sense of camaraderie and connection. It was an enjoyable and rewarding experience for both players and staff.

## Under 18 Girls – League Tag

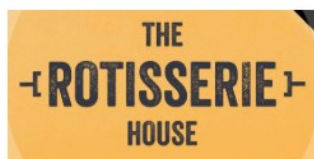

The Under 18s had a disruptive start to their season, with washouts, bye rounds, and public holidays interrupting momentum and limiting time on the field.

Playing in the Norths/Manly competition for the first time meant facing unfamiliar opponents and a new level of challenge — but these girls did what they always do: they pulled it together when it mattered most.

They pushed deep into the finals, leading in their preliminary final against the team that ultimately went on to win the grand final, before a tight second half saw them fall just short. Despite the narrow loss, it was clear that with just a few things going their way, this squad had every right to believe they could have been grand finalists.

**Thank you to our sponsors**

# NORTHWEST HAWKS

## A Message From The President

The Northwest Hawks enjoyed a strong and rewarding 2025 season, highlighted by excellent participation, competitive performances across all age groups, and meaningful progress off the field.

This year the club fielded eight teams, comprising five tackle and three tag sides. All teams represented the Hawks with commitment and pride, showing consistent development throughout the season. Notably, our Under 14 Tag team and Under 13 Boys Tackle team both qualified for the finals, an achievement that reflects the quality of our player pathways and coaching structures.

A major milestone for the Northwest Hawks in 2025 was the successful club rebranding, which modernised our identity and strengthened our presence within the Junior League community. This was a significant project, and the club acknowledges the outstanding contribution of Kylie Bright (Secretary), whose work was central to the rebrand's delivery.

We extend our sincere appreciation to all coaches, managers, volunteers, and families who supported the club throughout the year. The positive culture within the Hawks community continues to be one of our greatest strengths.

The club also acknowledges and thanks all of our sponsors for their ongoing support. Their commitment ensures our players have access to quality equipment, safe facilities, and opportunities to grow and enjoy their rugby league.

The Northwest Hawks look forward to building on this year's momentum and continuing to contribute strongly to the North Sydney Bears Junior League in 2026.

Rob McArdle

Northwest Hawks President

# NORTH SYDNEY BROTHERS

## A Message From The President

2025 was an excellent season for the club and all participants despite significant wet weather that washed out numerous rounds and dramatically impacted many training sessions. Nonetheless, it was a successful year of footy for the club, both on and off the field. A big thank you and congratulations to all players, coaches, volunteers, sponsors, parents/supporters and especially the North Sydney Brothers Committee for all their dedication.

The goal of the club is to provide an enjoyable, inclusive experience for all participants, growing player numbers, prioritising retention all with a focus on individual player development and team success. As a club we have been able to achieve all those things in 2025.

Registrations were strong with the club fielding teams in the Under 6's, Under 7's, Under 9s, Under 11's, Under 12s, Under 15s tackle, Under 14s Girls Tag and Under 16s Girls Tag.

All teams, across all age groups were highly competitive, played in the right spirit and with great sportsmanship and represented the North Sydney Brothers club admirably.

On-field success was highlighted by Under 14 Girls Tag who were Grand Finalists at North Sydney Oval. Under 15s Tackle Silver who were preliminary finalists and the U12s Gold and Under 16 Girls Tag who both played finals footy. The non-competitive age groups (U6 – U11) were all highly competitive and their season culminated in end of season gala days, which were great fun.

A special congratulations to those players from our U15s, selected in the North Sydney Bears Under 14s and Under 15s Development squads, giving them a taste of representative football and access to advanced coaching.

Off the field, North Sydney Brothers was able to “weather the storm” and the loss of numerous home games due to wet weather (lower canteen takings), thanks to the generous support of our sponsors. The club remains in great shape financially and still offers competitively priced access to junior team sport within the highly competitive junior sporting landscape of the Lower North Shore.

Congratulations to all coaches, trainers and managers for their organisation and leadership in 2025. It is not a small undertaking to be actively involved in junior sport, but the impact a respected, knowledgeable and committed coach can have on junior players (and their parents) can be huge.

Brothers is a 100% volunteer run club, thank you to all volunteers through the year but one stood out. Andrew Kaless was awarded the Brothers Volunteer of the Year Award for his dedication to coaching and general commitment to the club.

In anticipation of the 2026 season, North Sydney Brothers will continue to focus on recruitment, player and coach development, sponsor engagement and promotion and creating a fun and inclusive environment for everyone involved.

See you all in 2026, Go Brothers!

Gareth Uys

North Sydney Brothers President

## *Season Highlights*

- Under 14 Girls Tag - Grand Finalists
- Under 15s Tackle Silver Preliminary Finalists
- Finals Football for U12s Gold and Under 16s Girls Tag
- Combined U11 Team with Lane Cove Tigers
- Strong Player Registrations and Retention
- Volunteer of the Year – Andrew Kaless
- Presentation Day at The Greens, North Sydney

# PENNANT HILLS CHERRYBROOK STAGS

## A Message From The President

The 2025 season was another outstanding year for the Pennant Hills Cherrybrook Stags. With over 440 registered players, we proudly remain the largest rugby league club in the district, offering pathways for players of all ages and abilities. This year, we fielded 12 female teams, including league tag and tackle sides, and a full pathway from juniors through to Opens Women's. Boys' participation remained strong, with a tackle team in every age group from U6 to U18, plus our A-Grade team, reflecting the strength and depth of our club. We saw some of our players that have progressed in our junior ranks over the years represent the stags in A grade.

We started the season with a huge Come & Try Day, welcoming over 150 new and returning players. Our Mother's Day Round was a wonderful celebration of the mums who support our players each week. The day featured drinks, nibbles, massages, and a successful raffle raising funds for the Mitochondrial Foundation and a Stags family who experienced tragic loss during the year. We are especially grateful to the Family of League Foundation for supporting this family in a very difficult time.

Players enjoyed a variety of experiences beyond their regular competitions. Our female teams travelled to Allianz Stadium for Women's State of Origin Game 2, witnessing an incredible win, while our U13 boys attended Game 3 of the Men's State of Origin, enjoying a fun night with their teammates despite a tough result.

The July school holidays saw more than 100 players and their families travel to the Gold Coast for our second Stags on Tour. The trip included friendly matches against the Bilambil Jets, a day at Movie World, and attending an NRL game at Cbus Stadium, providing an unforgettable experience and strengthening the club's community spirit.

On-field, the Stags performed exceptionally well, with 16 teams qualifying for finals and five teams reaching grand finals. We celebrated three premiership victories this season. The U12 boys were triumphant at North Sydney Oval, while the U16 girls tackle team secured a convincing win at Kellyville Park. The U16 boys, after a challenging start to the season and several changes to their line-up, remained undefeated all year. Their joy and pride in taking home the grand final at North Sydney Oval was infectious, and it was inspiring to see the entire team celebrate a hard-earned and well-deserved victory together.

We are also incredibly proud of our players representing the club at higher levels. Some competed at international carnivals, proudly playing for their heritage nations such as the Philippines, Lebanon and Italy. Others were selected for district squads, while several girls participated in the Harvey Norman competition. A special mention goes to one of our U17 boys, who signed with the Melbourne Storm, a remarkable achievement and testament to his dedication. These accomplishments highlight the talent, diversity, and commitment within our club, and they continue to inspire younger players.

The season concluded with two fantastic celebrations. Junior Presentation Night at Greenway saw the club awarded Pie of Origin – Club of the Year, with a special visit from Parramatta Eels' Shaun Lane and some great prizes from Glenorie Bakery. Our Senior Presentation Night at the Hillside Hotel celebrated the achievements of our older players and volunteers.

We are deeply grateful to our sponsors, whose support makes everything possible. We thank our Gold Sponsors – Suttons, Allied, and Excelsia College – and our Premium Silver Sponsors – Saliba Estate Agents, Hillside Hotel, and AS Elevations. Your commitment allows our players to develop, compete, and enjoy memorable experiences both on and off the field.

None of this would be possible without the dedication of our sponsors, volunteers, coaches, managers, and families, whose support allows our players to thrive both on and off the field. A special mention to Donna and Sid Aoutal our NSDJRL Volunteers of the Year. Looking ahead to 2026, we are excited to continue growing our club, providing memorable experiences, and building on the success and spirit that define the Stags.

Up the Mighty Stags!!!

Lee Cherry  
Club President

### *Season Highlights*

- Come & Try Day – kicked off the season with great energy and community engagement.
- Mother's Day Round – sideline hospitality, massages, and fundraising for charity and a Stags family.
- Women's State of Origin trip – girls travelled together to Allianz Stadium for Game 2.
- Men's State of Origin tradition – U13s enjoyed a night out at Game 3.
- Stags on Tour – Gold Coast – friendly matches with the Bilambil Jets, NRL game, tour dinner and picnic and a fun filled day at Movie World.
- Finals & Premierships – 16 teams in finals, five grand finals, three premierships (U12 Boys, U16 Girls tackle, U16 Boys undefeated).
- Junior Gala Days – players from U6–U11 enjoyed fun, skill-building activities, games, and team bonding across the district.
- Player Achievements – representation in cultural carnivals, district squads, Harvey Norman competition, and a U17 boy signed with Melbourne Storm.
- Presentation Nights – Junior Night at Greenway (Pie of Origin – Club of the Year, Shaun Lane visit) and Senior Night at Hillside Hotel.

# WILLOUGHBY

## ROOS

### A Message From The President

It was another great season for the Roos in 2025. While we had a challenging start with more rain than we care to remember and plenty of washouts, the time we managed to get on the park was enjoyed across all age groups.

We again had to find creative ways to train during the constant wet weather. The toughest period was the finals series, where teams scrambled to secure training time. A special thank you goes to all our volunteers who work tirelessly to ensure our kids can train and play, rain, hail or shine.

2025 was a historic season as we fielded our inaugural U16s Women's Tackle team in the Sydney Metro Competition. This is a huge achievement for the club and many people doubted it could be done. The girls came together well. Wins were scarce, but the smiles and laughter were constant as their bond grew stronger each week. A big thank you also goes to our Magpie cousins who joined us for the last third of the season. Their injection of talent helped us finish strongly.

The club grew again this year and is now the largest on the lower North Shore. It continues to look strong as we fielded teams in U6, U7, U8 and two U10 teams, setting a solid foundation for rugby league on the southern side of the district for many years to come.

Our Seniors team went up another level with the introduction of Bman Perenara as coach, fresh off a Ron Massey premiership the previous year. Bman set new standards in training and gameplay. The improvement showed as the Roos narrowly went down to the eventual premiers, Asquith, in the qualifying final. With most players and staff returning, we are excited to see what next season brings and hopeful for a deeper run.

Our League Tag girls again performed strongly. Our U12, U14 and U18 teams all made finals, with the U14 girls undefeated in the regular season. The U12 and U14 teams were unlucky not to reach the grand final after tough losses.

Our U18 team fought hard to reach the grand final in a rain affected qualifying weekend. They had to travel to Brooklyn to get their match played and overcame Berowra to set up a final against Harbord Devils. The Devils were too strong on the day, but the girls fought bravely. They will have another shot at U18s next year and we look forward to another strong season.

Representing the Roos from our junior tackle teams, the U14s again qualified for the grand final after winning the premiership the previous year. In what was an outstanding game of footy, the boys were down 10 nil to the Magpies at half time. Despite having little ball in the first half, they stayed positive and scored first after the break. They wrestled back momentum and put on 20 unanswered points in the second half, taking out the grand final 20 to 10. It was a huge effort and they are the first team at the club to go back to back in many years. Congratulations to all players and staff.

At presentation day, the club introduced two new awards: the Tackle Player of the Year and Tag Player of the Year. Congratulations to Matteo Borovac and Lucy Brown who were the inaugural winners. Also recognised were our Coach of the Year, Simon Rogers from the U14 LeagueTag team, and our Club Person of the Year, Brett Matthews, who not only coached the U16 Women's team but also served as a Yellow Shirt for our Seniors and has been a club sponsor for many years.

As we look ahead to 2026, excitement is building. The new season promises more fantastic moments and thrilling games. With our vibrant Roos community behind us, we are ready to kick off with energy and confidence. Expect more action, more fun and more unforgettable memories on and off the field.

A huge thank you goes to our sponsors, volunteers, parents and dedicated players. We also extend our appreciation to our committee members for their hard work throughout the year.

Go Roos.

Regards

David Zimmer

Club President

Willoughby Roos

## *Season Highlights*

- The U16 Women's Tackle team playing their first match at Fortress Willoughby and scoring their first try.
- Watching U6 and U7 players from all clubs run out of the Roos sheds each week to a standing ovation from parents and volunteers.
- Our inaugural U18 Tag team launching our Sunday game day experience, with more to come in 2026.
- Grand Final Day at North Sydney Oval for the U14 Tackle team.
- Federal Election BBQ on a washout round, raising \$6k for the club.
- The Casino Royale Fundraiser at the Willoughby Hotel, with more money raised for the club than won.
- Awarding our inaugural Tackle Player of the Year, Matteo Borovac, and Tag Player of the Year, Lucy Brown, at presentation day.
- Awarding Club Person of the Year to Brett Matthews and Coach of the Year to Simon Rogers.
- Seeing all junior teams run out on North Sydney Oval and play at least one match on the 8th Wonder this season.

# NORTH SYDNEY

## REFEREES

2025 marked another busy year for the Association, despite a number of rounds being washed out due to the weather. There were more games each weekend (up to 107 teams playing on Saturday), mainly due to the increase in the popularity of women's tag and tackle. A higher workload together with the staggering loss of 17 referees at the beginning of the season, meant that all referees had to run multiple games and sometimes at multiple locations during the day.

During the Season, our Director of Referee's Development, Steve Tulinsky, worked hard to build on our ranks and we welcomed several junior referees. To our new recruits, I trust you enjoyed your first season and the Association looks forward to welcoming you back in 2026.

### **Vale**

To all members who lost loved ones during 2025 the Association offers our deepest sympathies.

### **Development Squad**

Our Development Squad continues to grow in strength and congratulations to the 2025 squad members. One requirement for squad members is to attend an additional training session each month. These sessions are generally held in doors and cover a variety of topics. Thank you to Jon Stone and Liam Kennedy for their presentation at the May session and to Geoff Whiddon from the NRL for his well-received presentation in April.

Congratulations to the 2026 Squad members – you will not have much rest before your Season kicks off.

### **Presentation Night**

A big thank you to Ilana Crawford for her tireless work in organising another successful Presentation Night. This year's event was held in early October at Magpies Waitara and over 50 members and their guests attended. Thank you to our friends from Parramatta Referees Association and the NRL for sharing the evening with us.

The highlights of the night included –

- Recognition of Michael Quailey’s remarkable 25 years of service as Chair of the Association;
- Brian Barry being presented with the Smyth Montgomery Medal;
- Bryce Skarott was awarded the Junior Referee Encouragement Award;
- The Betts-Stone-Murray Award for the most improved referee was awarded to Roy Merrick;
- Aaron Brownlow on being awarded the John Quinn trophy;
- In recognition of his contributions to the Association as well as his on-field performances, the recipient of the Michael Quailey Trophy for 2025 was Jordan Dawkins;
- The Erle Carroll Memorial Trophy was awarded to James Leane;
- Tyler Armstrong and Roy Merrick were both recognised for their A Grade debuts.

## **Website and Social Media**

The Board made a conscious decision at the beginning of the Season to raise the Association’s presence on social media and to revamp the website. Many thanks to Tyler Armstrong, Jordan Dawkins (social media/website) and Charlie Cox (social media) for their commitment throughout the year.

## **Grand Final Appointments**

Congratulations to all referees who were appointed to Grand Final fixtures (the Grand Final Appointments are noted elsewhere in this Annual Report). It was great to be back at North Sydney Oval for another year and well done to Jordan Dawkins, Charlie Cox and Jordan Dixon for their enormous effort in setting up the referees area.

Thank you to our sponsors (Raine and Horne Hornsby and mpm Chartered Accountants) and to our Patron, Elizabeth Quailey, for your continuing support of North Sydney Referees’ Association.

Other acknowledgements include:

- Tyler Armstrong on his appointment to the Representative Squad for 2025;
- Ella Summerhayes on being selected to present NRLW Touch Judge Rochelle Tamarua her Grand Final Medal. This recognition celebrates Ella’s outstanding contribution to Rugby League both on and off the field and to her and her commitment to the NRL’s core values of Inclusive, Positive, United, and Disciplined has set a powerful example within the officiating community;
- Jon Stone for his continued excellence at the NRL level; and

- To the mums and dads of our junior members for your commitment to your child's development and for driving them to their appointed ground and sometimes from ground to ground.

Thank you to my fellow Board members for your continuing contributions to the Association.

In conclusion, it would be remiss of me not to acknowledge Michael Dumas, who stood down as Executive Officer at the end of last year. Many thanks Michael for your tireless work as EO of this Association since 2016.

**Graeme Field**

**Executive Officer**

---

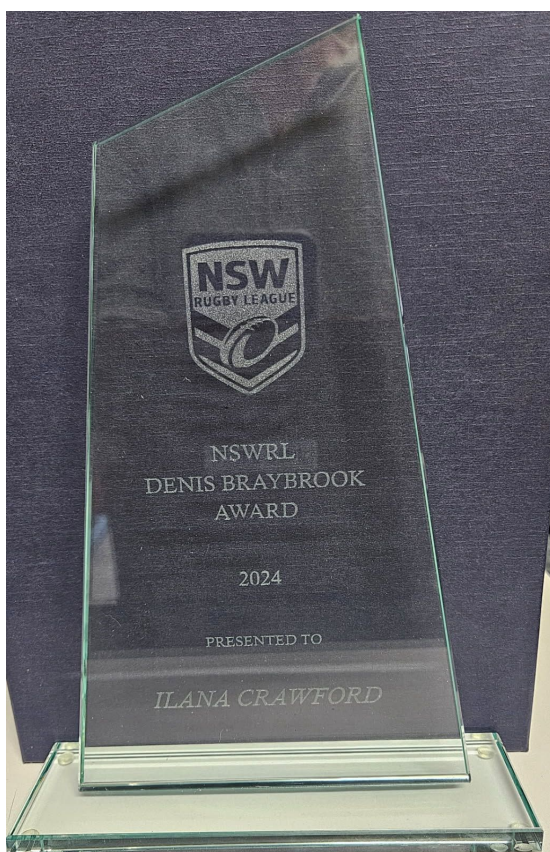

### **Denis Braybrook Medal**

The Denis Braybrook Medal is awarded to the Referee or Referee Coach of the Year and is one of the highest honours a match official can receive in New South Wales.

Presented by the NSWRLRA, it recognises excellence, leadership, and outstanding contribution to officiating.

The last — and only — North Sydney Referee to receive this accolade was Michael Quailey in 2014.

In 2024, **Ilana Crawford** proudly became the newest North Sydney Referee recipient of this prestigious award.
